

APPRECIATION.....We extend our appreciation to Rev. Carl and Rachel Pattison for spending the past 22 months of their lives in the North Country, supporting our church along this path to a new pastor. Your devotion to God and open sharing of that passion has given us stability and focus....sharing your devotion from our sanctuary each Sunday, into homes of shut-ins and the numerous visitations to families and members who were hospitalized. Pastor Carl, you have been a steady and supportive influence. We wish you and Rachel love and comfort in the years to come, whether you move on to another interim assignment or move into retirement to pursue your many, many interests. Thank you!
