April 1st—Easter Sunday

Pastoral Search.....

Our Pastor Nominating Committee continues to meet on a weekly basis, sometimes twice week, and have read/reviewed many Personal Information Forms (PIF's) of possible candidates from all across the U.S. — East Coast to West Coast.

The Committee members have had conversations, via Skype and/or conference calls, with candidates who have generated interest with their PIF.

Your PNC remains encouraged, and we thank you for your continued positive thoughts and prayers, to find the right pastor for our church.

William Fisher, PNC Chairperson

"Our church has a mission to stay in touch with students as they are busy with their college courses. Eighteen Easter notes and gift cards were sent out as a reminder that their church community was thinking of them.

Thank you to all who contributed to this effort with their donations toward the Subway gift cards."
